Validation

STATEMENT OF OBJECTS AND REASONS

The Supreme Court in Writ Petition (Civil) No. 561/1994 has held that aquaculture is an industry and hence it is covered by the prohibition imposed by sub-paragraph (i) of paragraph 2 of the notification of the Government of India in the Ministry of Environment and Forest No. S.O. 114(E), dated 19.2.1991 issued under sub-section (1) of section 3 of the Environment (Protection) Act, 1986 and read with rule 5(3) (d) of the Environment (Protection) Rules, 1986. The Supreme Court has further directed that an Aquaculture Authority shall be established to regulate aquaculture in coastal areas. The intention of the Government was not to treat coastal aquaculture as a prohibited activity within the meaning of the said notification. The effect of this judgment is to close all aquaculture farms, except traditional and improved traditional, in the coastal areas. This activity mainly utilizes saline areas along the coast-line which areas are not suitable for other activities and provides employment to approximately three lakh workers. Large investment of public and private funds has also been made in this farming/activity. If these farms are closed down, it may lead to about three lakh workers being rendered unemployed. Hence, it is considered necessary to bring this Bill to save the employment of the workers and also the investment already made in this economic activity. It is also considered necessary to provide for future growth of aquaculture farming in a manner which is consistent with the requirement of safeguarding of the environment. In order to achieve the above objects and to clear all doubts, it has been decided to amend the said notification to clarify that aquaculture was not intended to be a prohibited activity within the meaning of that notification. Since it is necessary to validate all coastal aquaculture farms set up hitherto retrospectively, this legislation has become necessary. It is proposed to set up an Aquaculture Authority to regulate shrimp farming activities in coastal areas in future as well as to review the cases of existing aquaculture farms and to ensure that only those which carry on aquaculture farming in an eco-friendly manner will be allowed to continue. Further the Bill would provide for making rules by Government of India for ensuring that aquaculture is not detrimental to coastal environment. A provision has also been made for payment of compensation to workmen in accordance with the provision of the Industrial Disputes Act, 1947 in respect of the farms that are to be closed down after the review by the Authority.

2. The Bill seeks to achieve the above objects.

NITISH KUMAR.

FINANCIAL MEMORANDUM

Sub-clause (1) of clause 4 of the Bill provides for the establishment of an Aquaculture Authority and sub-clause (5) of the said clause relates to the salaries and allowances of the Chairperson and other members of the Authority. Clause 9 *inter alia* provides for the salaries and allowances of the officers and other employees of the Authority.

2. It is estimated that the Bill, when enacted, will involve a non-recurring expenditure of rupees fifty-seven lakes and fifty-four thousand and recurring expenditure of rupees forty-one lakes and thirty-four thousand during every financial year.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 22 of the Bill empowers the Central Government to make rules to carry out the provisions of the Bill. The matters in respect of which rules may be made, *inter alia*, includes to prohibit any activity which is detrimental to coastal environment, the terms and conditions of the appointment of the members, procedure to be followed by members in the discharge of their functions, inspection of the aquaculture farms, the form and manner in which the budget and reports are to be prepared by the Aquaculture Authority and the manner in which the accounts of the Authority are to be maintained.

- 2. Clause 23 of the Bill empowers the Authority to make regulations consistent with the provisions of the Bill and the rules made thereunder. The matters in respect of which regulations may be made, *inter alia*, relate to regulating the meetings of the Authority and the procedure for conducting business thereat, the terms and conditions of service of the officers and employees of the Authority, regulations for the construction and operation of aquaculture farms within the coastal areas.
- 3. The matters in respect of which the rules or regulations may be made are matters of procedure and administrative detail. The delegation of legislative power is thus of a normal character.

u

BILL No. XI of 2000

A Bill further to amend the Food Corporations Act, 1964.

BE it enacted by Parliament in the Fifty-first Year of the Republic of India as follows:—

Short title and commencement.

- 1. (1) This Act may be called the Food Corporations (Amendment) Act, 2000.
- (2) It shall come into force on such date as the Central Government may, by notification in the Official Gazette, appoint.

Substitution of new section for section 34 of Act 37 of 1964. 2. In the Food Corporations Act, 1964, for section 34, the following section shall be substituted, namely:—-

Accounts and audit ,

- "34. (1) A Food Corporation shall maintain proper accounts and other relevant records and prepare and annual statement of accounts including the profit and loss account and the balance-sheet in such form as may be prescribed by the Central Government in consultation with the Comptroller and Auditor-General of India.
- (2) The accounts of a Food Corporation shall be audited annually by the Comptroller and Auditor-General of India and any expenditure incurred by him in connection with such audit shall be payable by the Food Corporation to the Comptroller and Auditor-General of India.

- (3) The Comptroller and Auditor-General of India and any person appointed by him in connection with the audit of the accounts of a Food Corporation shall have the same rights, privileges and authority in connection with such audit as the Comptroller and Auditor-General has in connection with the audit of Government accounts and, in particular, shall have the right to demand the production of books, accounts, connected vouchers and other documents and papers and to inspect any office of the Food Corporation.
- (4) The accounts of a Food Corporation as certified by the Comptroller and Auditor-General of India or any other person appointed by him in this behalf together with the audit report thereon shall be forwarded annually by the Comptroller and Auditor-General of India to,—
 - (i) the Food Corporation concerned;
 - (ii) where the accounts relate to a State Food Corporation, also to the Food Corporation of India;
 - (iii) the Central Government,

and that Government shall, as soon thereafter as may be, cause the same to be laid before both Houses of Parliament."

STATEMENT OF OBJECTS AND REASONS

The Food Corporation of India (FCI) was established under the Food Corporations Act, 1964 (37 of 1964). Section 34 of the Food Corporations Act provides for auditing of the Corporation's accounts by qualified auditors appointed annually by the Food Corporation of India from amongst a list of auditors approved by the Central Government on the advice of the Comptroller and Auditor-General of India (CAG). Food Corporation of India is not a public sector enterprise falling within the ambit of the Companies Act, 1956. It is functioning as an implementing arm of the Central Government by procuring foodgrains at rates fixed by the Centre and distributing the same below costs as part of the targeted Public Distribution System. Under these circumstances, Food Corporation of India needs to be treated on a different footing. Besides the audit by chartered accountants, Food Corporations Act also provides for supplementary audit of accounts by the Comptroller and Auditor-General of India. The Comptroller and Auditor-General of India audits Food Corporation of India through his offices, which are situated in the different parts of the country.

- 2. It is now proposed that the auditing and certification of accounts which was hitherto being done by the chartered accountants alongwith the supplementary audit by Comptroller and Auditor-General of India may be replaced by Comptroller and Auditor-General of India as the sole auditor of the accounts of the Corporation. This will heip the Corporation avoid needless expenditure on audit fees, as also provide a more meaningful audit by Comptroller and Auditor-General of India whose organisation is well aware of the intricacies of Government policies being implemented by the Food Corporation of India.
- 3. For making the Comptroller and Auditor-General of India the sole auditor of the accounts of the Food Corporation of India, it is necessary to amend section 34 of the Food Corporation Act, 1964 as per the proposed Bill.
 - 4. The Bill seeks to achieve the above objects.

SHANTA KUMAR.
